Special Notice (2021/2022) No. 20
Positive Rapid Antigen Tests reported by Students
(S.1 ~ S.5)

17th June, 2022

Dear Parent/Guardian of S.1 to S.5,

On 17th June 2022 (Friday), our school was informed by two 5W students that the results of their Rapid Antigen Tests were positive. They last went to school on 16th June 2022 (Thursday). The School immediately arranged Rapid Antigen Tests for all students of the class this morning. The test results of the students were all negative. To ensure that the students were not infected, they were accompanied by our staff to undergo COVID-19 nucleic acid tests in the Community Testing Centre.

Our school has reported the cases to the Centre for Health Protection (CHP) of the Department of Health. As the Department suggested, online lessons will be arranged for 5W class from 20/06/2022 (Monday) to 24/06/2022(Friday).

In order to enhance anti-epidemic measures, the school has arranged thorough cleaning and disinfection for the classroom. As the global epidemic situation of the mutant strain is raging, parents are urged to remind their children to return home immediately and refrain from eating out. If students have any influenza symptoms, such as coughing or fever, they should stay at home, take a sick leave, consult a doctor and return to school only once they have recovered.

For the time being, the school will continue to be in contact with the affected students' parents and the Centre for Health Protection. The school will inform parents should there be any further updates.

Should you have any further enquiries, please contact the School General Office at 2571 1285 during office hours.

Yours faithfully,

Mr. Wong Chung Leung
Principal

Remarks: Please sign the reply slip on or before 24/06/2022 (Friday).
