5. Collection of student medical records:

(i) Purpose of collection

As suggested by the Education Bureau, we have to keep our students' medical records so that we can provide appropriate assistance if needed. The personal data collected from your child is used only for handling matters related to his/her health and safety. Though the provision of such data is entirely voluntary, insufficient information may prevent the school from fully understanding your child's medical history. As a result, the school may not be able to offer appropriate assistance to him/her in case of an accident. Therefore please fill in the relevant information at the back of the Student Information Form and submit it to the class teacher on or before 10/09/2021 (Friday).

(ii) Access to personal data

According to the Personal Data (Privacy) Ordinance, parents/guardians have the right to access and correct the data provided. Please contact the school if needed.

6. Student photo taking and order of photos:

13/09/2021 (Monday) is the Photo Taking Day. All students have to take individual digital photos and class photos for internal records. Students who would like to purchase the photos will have to pay in cash (no change will be given) directly to the staff of the photography studio during the photo taking session.
