

## Notice (2022/2023) No. 3 (S.2 ~ S.5)

1<sup>st</sup> September, 2022

At the beginning of the new school year, there are several important matters that we would like to bring to your attention.

### **1. Documents attached to this notice**

- 2022/2023 School Calendar  
<https://ccckws.edu.hk/website/index.php/events-2/school-calendar/?lang=en>
- Introduction to 'ePayment System'

- Order Form of Student Photos and Class Photos

### **2. Cooperation between parents and the School**

Our school urges better and tighter communication with parents. We seek the parents' support, understanding and cooperation in order to lovingly cultivate the next generation, and to enhance effective learning and healthy growth for students so that they will become good and law-abiding citizens.

### **3. Concern for attendance of students**

According to the Student Handbook P.6: "If students are absent for more than one-fifth of the total number of school days, they will not be allowed to sit for the examination." Please note that all students should attend school according to the school days listed in the School Calendar. In order to keep up with their studies, absence from school without a valid reason is not allowed.

### **4. Undergoing Regular Rapid-Antigen Tests (RATs)**

All students have to check their temperature and take an RAT each day before returning to school\*. The RATs should be conducted in the morning and **only students obtaining negative results to report "Declaration on Health" in eClass Student App** are allowed to return to school for lessons. Students should not attend school if their RAT results were positive or if they have fever or respiratory symptoms.

Students with positive RAT results should inform the school as soon as possible and stay at home. The parents should also report to the Department of Health as soon as possible within 24 hours via the "Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test" (<https://www.chp.gov.hk/ratp/>).

\*Remarks: For those recovered from COVID-19, they are not required to be tested within three months from the date of the recovery (except for those with symptoms).

### 5. Measures for Persons with Red Code / Amber Code

The Government announced that starting from 09/08/2022 (Tuesday), cases confirmed with COVID – 19 have been categorized as persons with a “Red Code”, and inbound persons from overseas places or Taiwan have been categorized as persons with an “Amber Code”. Parents with “Red Code” or “Amber Code” are not allowed to enter the school premises.

Students proactively declare to school their status of having “Red Code” or “Amber Code”. For students having “Red Code”, they are not allowed to go to School. Students with “Amber Code” need to meet the requirement of obtaining a negative rapid antigen test (RAT) result before returning to school every day.

Students with “Amber Code” are not allowed to participate in any mask-off activities at school (such as woodwind instruments, “contact” sports such as football or basketball, etc). They will also have meals in a location separate from other students.
