5. Issues relating to homework submission

According to the School rules, students should ensure that they submit homework on time. If a student does not submit homework ten times for one subject, the student will be given one minor demerit. Students should make sure that they manage their time wisely and nurture a habit of handing in their homework punctually. Should students experience any difficulties in completing their homework, they should take the initiative and approach their subject teachers for assistance.

6. Enquiry

Should you have any further enquiries, please contact the School General Office at 2571 1285 during office hours.

Yours faithfully,

Wong Chung Leung
Principal
