Emerging in Four Major Tournaments Building a Formidable Basketball Team

Inter-School Basketball Competition (HK Island)

All participating schools are divided into three divisions. Division 1 consists of the twelve strongest teams and the rest of the teams are placed in Divisions 2 and 3. Our school has been the champion of Division 1 Boys A Grade for nine consecutive years from 2008/2009 to 2016/2017. Our school is the Boys Overall champion of Division 1 (Hong Kong Island) in 2017/2018.

All Hong Kong Schools Jing Ying Basketball Tournament

Each participating school chooses twelve of their most elite players regardless of which grade they originate from to compete against the best teams across Hong Kong. To have the opportunity to compete in this tournament is the highest honour and our school has had that honour for many years.

Panasonic Inter-School Basketball Invitational Tournament

Based on the results of the Inter-School Basketball Competition, twelve schools who qualify will receive an invitation to take part in this tournament each year. Our school has been invited to participate since 2009/2010. For four consecutive years, both the boys' and the girls' teams have had the honour to participate in the tournament.

Hong Kong Inter-School Basketball Marathon

Another large-scale inter-school competition in Hong Kong which all schools are eligible to join regardless of their results attracts about 250 participants yearly. Players' physical fitness and the coaches' management of the team in terms of rest and training are of great importance due to the large number of participating teams and the extended duration of the competition. Our school has also come out tops in this competition. In 2018/2019, our school achieved third place in the Boys group.

Star Coach — Yung Kam-wah

Basketball Coach Profile: Yung Kam-wah

2009	Torchbearer for the 2009 East Asian Games
2008	20 Outstanding Athlete Award
2005	Super Kung Sheung Cup International Basketball Invitation Championship MVP
1997	Asian Basketball Confederation Champions Cup Champion
1997	Taiwan Professional Basketball Team
1996-1998	Asian All-Star Team
1995	FIBA Asia Championship 3-Point Shooter
1990-2006	Hong Kong Men's Basketball National Team

Our school basketball team has performed outstandingly in many inter-school competitions. Many members in our team have become valuable members of teams in other open competitions. The efforts of our head coach have played an undeniable role in the success of our teams. According to Mr. Yung, students not only gain basketball skills and learn to be disciplined players but also establish a positive life attitude.

Most parents nowadays are overly concerned about their children's academic results. Yet Mr. Yung believes that joining the basketball team is not for fitness training or awards alone but more importantly to help the players build positive values. 'I demand every player to maintain strict discipline and be obedient. Although not all team members will become professional basketball players in their career, they may work in other fields which require rigorous discipline and conformity. I hope every player can gain a foothold in society when they grow up.'

Some of the average students in our school have become more positive and shown continuous academic improvements after joining the school basketball team, where they found their goals in life and regained their self-confidence.

Interview with Alumnus Assistant Coach — Wong Tsz-fung (Point Guard of Able Hon Friends)

Wong Tsz-fung, graduated from the school in 2012. He was a member of the first batch of Wahshanians to play at the Hong Kong A1 Division Championship.

Tsz-fung has indulged in basketball ever since he was a child. He won the most valuable player award in an inter-school competition when he was in primary school. So, after entering our school, he joined the school basketball team at once.

Success requires hard work. If you want to take your skills to the next level, you have to work hard. At that time, Tsz-fung practiced every day at lunch time, and often had extra practice after school. Although the practice was very tough, in the third year of his participation in the school basketball team, both A Grade and B Grade were the champions in the Inter-School Basketball Competition. Everything paid off.

Encouraged by Mr. Yung, Tsz-fung actively pursued a career in basketball. As a Sports and Recreation Management graduate from university, on the one hand he joined Able Hon Friends as a full-time basketball player, and on the other served as an assistant basketball coach at our school to realise his dream one step at a time. Tsz-fung gets along well with children and enjoys the process of establishing a team from scratch. Therefore, he pursues his goal and is determined to become a professional primary school basketball coach. He hopes to continue to nurture new talents and serve his alma mater.

Road to Basketball Champion

Inter-School Basketball Grand Slam

Four prominent inter-school competitions are organised every year. If a team wins all four competitions in the same year, it will be granted the 'Grand Slam' title. The girls' basketball team of our school clinched the title in the 2011/12 school year, an achievement that put them on the top rank in Inter-School Basketball Competitions.
